# The Family Reunion

Jimin’s extended family organized a huge reunion.

Cousins.

Aunts.

Uncles.

Grandparents.

Everyone arrived.

The six BTS members were invited too.

Jimin immediately regretted it.

“Please behave.”

Jin looked offended.

“We always behave.”

Yoongi stared at him.

“No.”

The children ran around happily.

Soon, everyone was introducing themselves.

One elderly relative looked at Jimin.

“So these are your friends?”

Jimin smiled.

“My brothers.”

The six members smiled.

The relative nodded.

“Then welcome.”

That simple sentence meant everything.

# The Great Babysitting Competition

Everyone wanted to babysit.

Jin claimed he was the best.

Jungkook disagreed.

Hobi said he was the most fun.

Namjoon argued he was the most educational.

Taehyung said children loved him.

Yoongi said:

“I don’t care.”

The children immediately chose Yoongi.

Everyone froze.

Ji-ho pointed.

“Uncle Yoongi.”

Ji-ah nodded.

“Uncle Yoongi.”

Yoongi stared at them.

“Why me?”

Ji-ah answered:

“You’re quiet.”

Jin burst out laughing.

“She roasted all of us.”

# Jimin's Mother Has Had Enough

Jimin’s mother watched the six members spoil her grandchildren.

She shook her head.

“You boys are worse than children.”

Jin protested.

“We’re responsible adults.”

At that exact moment, Jungkook was crawling across the floor while Ji-ho rode on his back.

Taehyung was wearing a dinosaur hat.

Hobi was dancing.

Jin was trying to balance three snacks on his head.

Namjoon was attempting to clean.

Yoongi was pretending not to know any of them.

Jimin’s mother laughed.

“Very responsible.”

# Ji-ah's First Dance Performance

Ji-ah wanted to perform for the family.

Hobi helped her practice.

The living room became her stage.

She danced confidently.

Everyone cheered.

Jimin looked emotional.

Y/N squeezed his hand.

When Ji-ah finished, Jimin stood up first.

He applauded proudly.

“That’s my girl.”

Ji-ah ran to him.

“Was I good?”

“The best.”

Hobi smiled.

“She has rhythm.”

Jimin proudly looked at him.

“Of course she does.”

# Ji-ho's Big Announcement

At dinner, Ji-ho suddenly stood on his chair.

“I have an announcement!”

Everyone became quiet.

Jimin immediately grabbed him.

“Please get off the chair.”

“No!”

“What is your announcement?”

Ji-ho took a deep breath.

“I love Mommy.”

Y/N smiled.

“I love you too.”

“And Daddy.”

Jimin hugged him.

“And...”

Ji-ho looked at the six members.

“I love Uncle BTS.”

Everyone melted.

Jin dramatically wiped away a tear.

“We’ve been accepted.”

# Jimin and Y/N's Anniversary

Jimin secretly planned an anniversary surprise.

He decorated the backyard with fairy lights.

Y/N walked outside.

Her eyes widened.

“Jimin...”

He smiled.

“Happy anniversary.”

She hugged him.

“I love it.”

He held her close.

“I know our lives became much more complicated.”

She smiled.

“But better.”

“Much better.”

They danced beneath the lights.

Inside the house, six faces watched through the window.

Jin whispered:

“That’s beautiful.”

Yoongi nodded.

Then Jungkook whispered:

“Should we spy?”

Everyone answered:

“No.”

# The Six Uncles Make a Mistake

The members promised to keep the children entertained.

They decided to build a giant blanket fort.

It collapsed.

Then they built another.

It collapsed.

Then Jungkook tried to reinforce it.

It collapsed again.

Ji-ah stared.

“Uncles…”

Jin smiled nervously.

“Yes?”

“Are you good at this?”

Silence.

“No.”

Everyone laughed.

# A Quiet Conversation

Later, Jimin sat with Namjoon.

“Sometimes I wonder whether keeping everything secret for so long was wrong.”

Namjoon looked at him.

“You were protecting your family.”

Jimin nodded.

“I just wish I didn’t have to be scared.”

Namjoon smiled.

“Now you don’t have to carry it alone.”

Jimin looked toward the house.

Y/N was laughing with his mother.

The children were playing with the others.

“You’re right.”

Namjoon smiled.

“That’s what family is for.”

# The Children's First BTS Concert

The children attended a BTS performance.

They sat safely with the family backstage.

When Jimin walked onto the stage, Ji-ah screamed:

“THAT’S MY DADDY!”

Ji-ho shouted:

“GO DADDY!”

The members laughed.

During the show, Jimin kept glancing toward them.

At the end, he blew them a kiss.

Ji-ah caught it.

Ji-ho tried to catch one too.

Jimin smiled.

# One Giant Family

After the concert, everyone gathered backstage.

Jin lifted Ji-ho.

Jungkook hugged Ji-ah.

Hobi danced.

Taehyung took pictures.

Namjoon smiled.

Yoongi watched quietly.

Jimin stood beside Y/N.

She leaned against him.

“You happy?”

He smiled.

“More than I ever imagined.”
